

Since 1987, Hospice of Green Country's VISION

has been to be the pacesetter for compassionate end-of-life care that serves the physical, emotional, and spiritual needs of the patient as well as the patient's family. HGC's mission – to provide compassionate and quality end-of-life care to patients and families, regardless of their ability to pay – is grounded in one core belief: everyone deserves to die with dignity, in comfort and peace.

2011 Honor Roll of Donors

Hospice of Green Country relies on the generosity of the community to support the mission and programs in Tulsa and surrounding areas. The following individuals, groups, corporations, churches, and foundations have financially supported our work and mission this year.

Every effort is made to ensure the accuracy of this list. Any omissions or errors should be report to the Development office at 918-747-2273.
