

OUR MISSION

Hospice of Green Country is the only hospice in the Tulsa area with staff committed to providing education-based expert care and nurturing guidance to patients and their loved ones who are in need of **compassionate guardians of comfort and dignity** when facing the end-of-life experience.

FINANCIAL REPORT

HOW YOUR SUPPORT MAKES A DIFFERENCE

Accepting patients who do not have the ability to pay for end-of-life care makes Hospice of Green Country the leading provider of hospice care for those without resources.

In 2018, Hospice of Green Country cared for 174 patients.

Hospice of Green Country spent \$270,090 to provide 2,125 days of **Courtesy Care** services to 40 patients.

Fourteen patients received **Stay At Home** services which provides patients who lack adequate caregiver support the ability to remain in their homes while on hospice.

As the flagship hospice of the nationwide **Pet Peace of Mind** program, 61 pets of 24 hospice patients received care in 2018.

During 2018, we reached 2,599 people with end-of-life planning education through our **Hospice Education Institute**.

One-hundred-sixty-eight **Hospice Volunteers** gave 6,307 hours of service saving our agency \$142,223.

Fifty-nine sponsors presented the **7th Annual Oysters & Ale** where 400 guests enjoyed 3,500 oysters and raised \$69,800.
